CSN Short-Term Courses Ready for Students

Classes that take place over several weeks instead of an entire semester allow flexibility

September 23, 2021 – Students looking to get started on their college degrees don't need to wait for the next semester at the College of Southern Nevada.

Enrollment for short-term courses during the fall 2021 semester is already underway. CSN offers a variety of classes that run from four to 10 weeks, rather than the traditional 16 weeks of a full length semester.

Courses begin September 27, October 25, and November 22 and will be completed before the semester ends on December 19.
