Moving Forward Together: Fall 2020 Enrollment Open at CSN

June 12, 2020 – It's time to apply and enroll at the College of Southern Nevada for the fall 2020 semester. Classes start August 24.

Registration for current and new students is open now. CSN will offer a mix of on-campus and online classes for the fall 2020 semester. Students should act now and choose their classes as soon as possible to help ensure they get the sections they want at their chosen times and campuses.

CSN offers more than 180 different degrees and certificates in 70 academic programs, including 26 degrees available entirely online. In addition to traditional two-year degrees, the college also offers 10 bachelor's degrees, including new bachelor's degrees in Project Management and nursing.

Those interested and not yet admitted can apply at www.csn.edu/apply. More than two-thirds of CSN students receive financial aid, including grants, loans and scholarships, and the college encourages all who are eligible to apply for aid. More information can be found at www.csn.edu/financial-aid.
